

By my 18th, I'd be cursing and picking up chicks at the mall parking lot.

So on my 16th birthday I applied for my drivers license. Goal was by my 17th, I'd be driving solo...

Just remember though, no drinking and driving like your friends. Have a safe Birthday!

From one tech guy to another, it's good to delve into some not tech areas every once in a while.

Have a great birthday Ethan.
