

We'll teach you how to use the force to properly get that ball to go forward instead of up.

And use the pull of your body to steer heavy objects.

Just remember our Yoda's words:
"You will know (the good from the bad) when you are calm, at peace. Passive."

From your Quorum buddies

Now that you're in our quorum and 12 years old, we'll take you on as a Padawan learner...
