

If you're ever lost in the storms of life, Jon knows how to find you, and he has the technology.

And when he does, you'll see his smiling face, there to bring you home safe and sound.

Hi Victoria, I'm one of Jon's key Search and Rescue partners. Senior guy on the team. Lots of experience. So with marriage, it's all about being there when you're needed.

Or, maybe stay and have a picnic!
