

We can pretend it's a hot humid day in the Philippines, and everybody wants RJ to join in...

On your birthday it's good to remember your roots. So, do I look like a water buffalo from the Philippines?

And just in case you trip over some roots, we'll grab you to keep you safe.

So now I'm cool man, I could pass for a Pilipino rap star for you! Happy Birthday RJ!

From your Quorum buddies
