

It's nice that she's lethal with the compound bow

But still likes the domestic skills in the kitchen.

For birthdays going back as far as 2013 RJ was a Player. Our cute Russian friend Natasha showing RJ where the grapes are.

With all these cute girls there's just so much to consider. But then what else are your young men activities for than figuring out how to select an eternal companion.

You've ever been a great example for us in YM.  
We're missing you already.
