What's Orientation???

Orientation is an opportunity for YOU to meet the other AMAZING Volunteers you'll be working with this summer. It also gives us an opportunity to introduce you to our summer programs, the facility and what exactly being a "Volunteer" means.

You'll also have the opportunity to be trained in Customer Service, Safety, Climbing, Games, Crafts and interacting with preschoolers!

No need to bring a lunch, we'll be providing pizza (Please contact Laura with any food allergies or concerns!)

SEE YOU THERE!!!
